Sailing Models To Race Sunday

Yachtsmen will be out in force Sunday at the Alondra Park Lake to compete in the Model Yacht racing regatta. Nine classifications of power and sailing boats have been set up for competitors.

Class one includes sailing boats 20 inches and under in length.

Class two includes such boats which measure from 21 to 30 inches, class three from 31 to 40 inches, class four for boats up to 50 inches with a maximum of 800 square inches of sail. This is also known as the "M" class.

Class five is the sailing classification in the "X" class, or class five. This includes 50-inch boats with 801 to 1000 square inches of sail.

Power boats account for another three classes for Sunday's regatta.

Class six is for the fastest time in tethered speed boats, class seven for performance by power boats and class eight for radio-controlled boats.

Class nine is an open race. Any boat which qualifies for any of the other classes may compete in this race.

Cosponsored by the Los Angeles County Department of Parks and Recreation and the Los Angeles Model Yacht Club, the meet will begin at the Alondra Park Lake about 10 a.m.

The lake is located on Redondo Beach boulevard between Crenshaw and Prairie avenues. Ribbons will be awarded to winning entries.

Tartars in Tie For Second Spot

The pitching of Tartar's Wendell Vaughn proved just too much for the Beverly Hills batsmen last week, and Torrance was able to take a 2-0 league game from the Vikings.

Billy Crawford, Tartar shortstop, turned in the only extra-base hit for the local nine when he got a triple in the first inning.

Vaughn held the Beverly Hills team to two hits while striking out 13 batters.

Last week's victory, coupled with a win by Leuzinger over Inglewood, put the Tartars in a three-way tie for second place in the Bay League. Inglewood and Leuzinger figure in the tie for standing behind Long Beach Jordan.

Warrior Signs With Cleveland

Dick Zwainz, hard-hitting outfielder on the El Camino baseball team, has been signed to a professional contract by the Cleveland Indian's farm club at Bakersfield.

Immediately after the Citrus Baseball tournament two weeks ago, Zwainz announced he would go to Bakersfield to try out with that club.

Several days of practice under the watchful eyes of Bakersfield officials won him the chance to sign.

Zwainz will be sent to Phoenix to play in the Arizona-New Mexico league for seasoning. El Camino officials say.

New Softball League Planned

Plans are in the offing for a second annual night softball league, according to Elmer "Red" Moor, director of athletics for Torrance.

Working through the office of Frank H. Carpenter, the city director of recreation, Moor, scheduled another meeting in the Walteria Recreation building tonight to discuss conditions of play and rules and regulations for the league.

The new league would play under the new lights now being installed on the Walteria Park softball field.

Moor said another league was needed to handle the many persons in Torrance who wanted to play softball.

All team sponsors, managers or players who are interested in participating in such a league may attend tonight's meeting in Walteria.

El Camino Takes Huskies, 5-4

El Camino baseballers outlasted East Los Angeles Huskies last Friday to take a 5 to 4 game and remain on top of the Metropolitan Conference.

Third baseman Ross Sidebottom got his third single in the last of the 10th inning to score Collin McKinney and break up a deadlocked game.

Sharing honors with Sidebottom was pitcher Jim Clive who whiffed 18 men while giving up only four singles in the 10th inning. He also banded out a home run in the sixth to tie up the ball game at three-all.

The Warriors, now tied with San Diego for the loop lead, will travel to Bakersfield tomorrow to play the Renegades.

Craft, Bammer, Irvine, Take Columbia Golfers

Harry Craft and Don Bammer walked off with low gross honors and Louis Irvine took the blind bogey ribbon in the golf tournament sponsored by Columbia Steel at an Alondra Park outing last Saturday.

Craft and Bammer, each shooting a 79, beat out the field in the low gross rounds. Pete Beville took third place with 87.

J. B. Wallace took second in the blind bogey class with 64, and Cal Miller got show money with 65.

The golf tournament was sponsored by the Columbia Steel Recreation association.

League to Meet

Tartars Grab Third at Relays

Torrance High trackmen took fifth in Class "B" competition and third in Class "C" at the running of the 12th annual Inglewood Relays last weekend.

Leading with a total of 15 points after Friday's field events, the Class "C" teams fared slightly in Saturday's races and let Redondo and Inglewood pass them.

In the "C" field events, second spots went to the Tartars in the pole vault, high jump, and shot put. The broadjumping team grabbed a third.

The only running team to place for the Torrance "C" team was the four-man mile. This team took a fourth while the others failed to place.

In the "B" class, Tartar high jumpers beat all comers, although they failed to break their own record set at Inglewood last year. Torrance also took a fourth in shot put in this class.

The four-man mile team took fifth in the "B" running, the four-man two-mile team took fourth, and the four-man medley took fifth.

Torrance did not enter any varsity teams in last week's relays, because we were not deep enough to put three four-man teams on the field." Track Coach Rex Welch said.

Coach Welch is planning to take a full complement of varsity "B" and "C" trackmen to Inglewood tomorrow for the Bay League preliminaries.

Tomorrow's events will determine who will be qualified to compete in the Bay League finals to be run in Inglewood next weekend. Following the finals, qualifying starters will move on to the CIF playoff which winds up in Long Beach on May 13.
